Welcome back to the beginning of an exciting new year in the Lindenhurst High School Math Department! As we prepare for the upcoming school year there are some general items that would be very helpful to ensure a successful school year. All students are required to have a graphing calculator (TI-84 Plus) at home to follow through with homework assignments, but more importantly, to become proficient in mastering the functions thereby assisting them in the classroom and State Assessments. In addition, please see the recommended supplies needed for class. Most items will be used in every math class at the High School for 4 years. We ask that these items be purchased prior to the first day of class.

Once again, we look forward to an exciting school year. Working together we can achieve success for every student!

**Algebra 1:**

- TI-84 Plus Graphing Calculator
- Small ruler
- 3-ring binder
- 2 pocket folder
- 3 ring pencil case
- Pens or pencils
- Highlighter or multicolor pens/pencils

**Foundations of Geometry/Geometry:**

- TI-84 Plus Graphing Calculator
- Compass
- Small ruler
- 3-ring binder (1.5 inch)
2 pocket folder
3 ring pencil case
Pens or pencils
Highlighter or multicolor pens/pencils
2 dry erase markers
Marble notebook for **Geometry Honors**
(Graph paper for homework)

**Algebra 2/Statistics/Trigonometry course/Practical Application of Math/PreCalculus/**

**Real Numbers/Intermediate Algebra:**

- TI-84 Plus Graphing Calculator
- 3-ring binder
- 2 pocket folder
- 3 ring pencil case
- Pens or pencils
- Highlighter or multicolor pens/pencils
- (Dry Erase markers for Real Numbers)

**College Pre-Calculus:**

- BASIC 4-FUNCTION CALCULATOR (No Trig or fraction button)
- Dry erase markers
- 3-ring binder
- TI-84 Graphing Calculator
