<i>Tdap</i>	All students born on or after January 1, 1994 entering or repeating 6 th grade, must receive an immunization containing Tetanus toxoids, Diphtheria and acellular Pertussis
<i>M.M.R.</i>	1 DOSE (Measles, Mumps, Rubella) and a SECOND DOSE of Measles vaccine (or a #2 M.M.R.)
<i>HIB-Vac</i>	(Pre-K) 3 DOSES or 1 DOSE administered on or after 15 months of age
<i>TUBERCULOSIS</i>	<i>RECOMMENDED</i> (test must be done within the last year)
<i>HEPATITIS B</i>	3 DOSES
<i>VARICELLA</i>	All children entering school born on or after January 1, 1998 and all children entering 6 th grade born on or after January 1, 1994 , or written verification of disease by Health provider.

NEW YORK STATE LAWS REQUIRES THAT THE ABOVE IMMUNIZATIONS MUST BE SIGNED FOR BY THE CHILD'S DOCTOR OR HEALTH CARE PROVIDER

SCHOOL PHYSICAL

New York State Education law requires that every child have a medical examination on entering school and in the 2nd, 4th, 7th, and 10th grades. **Children who will be entering kindergarten in September must have a physical completed by their FAMILY physician and returned to the school nurse no later than June 1st.**

PLEASE BE ADVISED THAT YOUR CHILD MAY BE EXCLUDED FROM ENTERING SCHOOL IF THE ABOVE IMMUNIZATIONS, PHYSICAL REQUIREMENTS, PHYSICIAN DOCUMENTATION AND A WRITTEN APPOINTMENT CARD FOR NEXT DOSE OF IMMUNIZATION (if missing) ARE INCOMPLETE
