Parent University 2015-2016

Mathematics Night

*Tuesday, September 29, 2015
Lindenhurst High School*

*7:00-8:15 p.m.
300 Charles St.*

In order to ease the transition to the NYS Common Core Standards in Mathematics, Parent University is offering grade specific classes for parents of students in Kindergarten through Grade 6. In our classes, you will receive an overview of the standards for your child's specific grade level, and will leave with a toolbox of strategies and resources for helping your child at home.

Our workshops are designed to help parents gain new insights into the standards, thus making homework time more productive and less frustrating for all.

**ALL WORKSHOPS WILL BE HELD IN THE FOREIGN LANGUAGE WING OF THE
LINDENHURST SENIOR HIGH SCHOOL, AND WILL BE INSTRUCTED BY THE FOLLOWING
LINDENHURST TEACHERS:**

<u>KINDERGARTEN</u>	Instructors: Tracy Kraemer & Elizabeth Slater	Room 140
<u>GRADE 1</u>	Instructor: Michelle Schor	Room 141
<u>GRADE 2</u>	Instructor: Karen Garguilo	Room 142
<u>GRADE 3</u>	Instructor: Stacey Bressi	Room 143
<u>GRADE 4</u>	Instructor: Christina Miller	Room 144
<u>GRADE 5</u>	Instructor: Jennifer Cooke	Room 146
<u>GRADES K-2</u> Special Ed.	Instructor: Erica Padden	Room 148
<u>GRADES 3-5</u> Special Ed.	Instructor: Susan Sangirardi	Room 149

To register for a workshop: Go to the Lindenhurst School District webpage. On the home page, look for Parent University. Click on the link to register. Select the grade level workshop of your choice. Fill in the form with your first & last name, and your email address. Each workshop is capped at 25 parents, so don't delay in registering.

If you have questions, please contact jbova@lindenhurstschools.org.
