It is an honor to introduce myself as the Principal of Daniel Street Elementary School as I am eager to continue our extraordinary partnership as a school community. I hope that you have enjoyed time with your family this summer. The Daniel Street staff is looking forward to beginning a wonderful school year together in September. I can assure you that our staff is committed to caring for your children each and every day, while providing them a safe, healthy and nurturing environment.

Message from our Assistant Principal- Mrs. Catherine Glaser

Welcome to Daniel Street! I am the Assistant Principal at Daniel Street and William Rall Elementary Schools. I look forward to working with you and your child to provide a truly rigorous and enriching school experience.

My goal as assistant principal is to provide leadership that will facilitate a school environment that allows your child to feel safe and valued. I believe it is essential to encourage our students to understand that mistakes and obstacles are a part of life, but how students persevere, learn and grow from these difficulties will encourage our children to develop into successful adults and life-long learners. I am confident that our school will continue to be a place where our students can learn and grow academically and socially.

My door is always open to both you and your child. If there is anything I can assist you with, please let me know.

District Vision

It is the mission of the Lindenhurst School District to educate students in the values, critical skills, and essential knowledge necessary to be informed and responsible citizens prepared to take the next steps in their education, careers and lives in our diverse society. The goal of the District shall be to provide a safe and nurturing environment in which students will be motivated to achieve academic excellence, positive values and a strong self-image in preparation for a successful future.

Parent Concerns: Chain of Command

From time to time, parents or residents have questions or concerns about their children or schools in general. The guidelines established by the Lindenhurst School District as to whom one should contact for assistance are as follows:

If you have questions or concerns about your child, you should speak to your child's teacher. In some circumstances, you may wish to consult with your child's special area teacher, such as the Social Worker, Reading Teacher, Speech Teacher, Resource Teacher, Psychologist, Nurse, etc. All of these people can be contacted by calling the school your child attends. A time will be set aside to meet with you; therefore, it is suggested that you call ahead to make an appointment.

If you wish to take the matter further after speaking with the classroom or special area teacher, call the assistant principal of the school.

For those who would prefer to take their concerns further, after meeting with the assistant principal, contact should be made with the principal.

To speak to someone further regarding your questions or concern, contact should be made with the Assistant Superintendent for Elementary Curriculum and Instruction, Dr. Lisa Omeis.

General Procedures

Visitor Entry

- For the safety of our students and staff, all entrance and exit points of the building are locked at all times. ***Visitors will not be permitted into the building for this school year without prior approval from the building principal.*** All appointments will be held via phone conference or video conference in accordance with health and safety guidelines. When visiting our school, you will be buzzed in by the security desk where you ***must present your license or a photo ID.*** A ***visitor pass*** will be issued to you. This pass must be visible at all times when you are in the building and must be returned to our security desk upon your exit. ***Visitors are not permitted to walk to any classrooms without authorization.***
- The main entrance to the school is on Daniel Street. Upon entering the building, all visitors (including parent volunteers) must stop at the security desk and sign in. Picture ID is required. No exceptions. As a safety rule, baby strollers and bicycles are not permitted past the security desk. Bicycles, scooters, or wheeled shoes should not be ridden on or around school property during or after school hours. Also, bicycles or scooters are not allowed to be tied or chained to the school gates during school hours and will be removed if the school cannot locate the owner.
- Parents/Guardians may not escort children beyond the security desk or Main Office during school hours.
- To protect the safety of the children, any adults that have documented authorization to pick up a student will be asked to present a picture I.D. and must know the child's first and last names and classroom number.

Morning Arrival

- For your child's safety, no student is allowed to enter the building until the designated time. Doors open at 8:00 am for **zero-period students only.**
- Doors open at 8:55 am for all other students.
- The school day begins at 9:05 am.
- Students arriving after 9:05 am will be signed in at the security desk by their parent and will be marked late. A late pass must be obtained prior to your child going to their classroom. Students in the lower grades will be escorted to class if needed. This period is a very busy time of day. Since the disruptions can upset the normal routines and learning of all students, it is important that you help your child be on time each day. Establishing good attendance habits right from the start is very helpful.
- **Non-bus riding students:**
 - Northwest doors facing Daniel Street (grades K, 1, 2)

- Main entrance/bus circle (grades 3, 4, 5)
- **Students using Daniel Street Drop-off:** Northwest doors facing Daniel Street
- **Students arriving by bus into bus circle:** Main entrance bus circle (grades K-5)
- **Students arriving by minibus or van:** Doors on the Northeast side of the building facing the side parking lot (all ABA)
- If your child is a walker and you are not utilizing the Daniel Street Drop-off service,, please park your car on the streets adjacent to Daniel Street and accompany your child to the arrival doors. The Northeast parking lot will be reserved strictly for minibuses. If you have a Handicap sticker, there will be a specified Handicap spot available within the Daniel Street parking lot for you.

Parents, **please do not** discharge or pick up your child in our bus traffic circle immediately before or after school. It is not safe for the children and blocks the several buses that must use the driveway.

Dismissal

We encourage families that need to pick up their child early to provide the building with advance notice, when possible in writing, to minimize disruptions to classroom and dismissal procedures.

Non-bus riding students will be dismissed (as prior years) as follows:

3:25 pm	Grade K	Rooms 119, 121,123	Classrooms doors facing the playground
	Grade K	Room 124	Northwest doors facing Daniel Street
	All ABA	All	East doors adjacent to the front parking lot
3:30 pm	Grade 1	All	Northwest doors facing Daniel Street
	Grade 2	Rooms 109,114,116	Southwest doors facing middle wing-back of the building
	Grade 2	Rooms 143, 145	Middle wing doors on west side of the building
	Grade 3	All	Middle wing doors on west side of the building
3:30 pm	Grade 4	All (may be dismissed without parent/guardian)	South wing doors on east & west side of the building
	Grade 5	All (may be dismissed without parent/guardian)	South wing doors on east & west side of the building

Attendance

Every Minute Counts!

Attendance is the number one predictor of academic success. Just like our staff, children are expected to be at school every day on time. Absences are only appropriate in extreme cases of illness. Ten (10) or more absences may prevent a child from being promoted to the next grade level.

Patterns of lateness impact your child and their classmates upon their arrival. You will receive a monthly notification when a pattern of 5 or more late arrivals for the month has been established. A pattern of lateness can lead to a promotion in doubt letter.

At Daniel Street, our school day is designed to ensure that your child is fully engaged in purposeful learning that is designed to promote critical thinking, prompt ongoing discussion and provide multiple opportunities for our children to show us what they know by applying their newly learned skills to larger concepts and applications. Our objective is to prepare our children to feel confident enough to solve problems and address challenges that they've never seen before.

If your child is consistently late and/or absent, expect lots of communication with the classroom teacher, attendance aide, social worker, assistant principal, and principal.

Student Absences

Our goal for all students is to maintain an attendance rate of 95% or above. Please call the Main Office to notify the school if your child will be absent. We ask all parents/guardians to keep children at home during the early infectious period of a cold, illness, or communicable disease. All students who have been absent from school (regardless of the number of days) must bring a note to the classroom teacher from their parent/guardian or doctor stating the reason for their absence. The teacher keeps the absence note on file. Please check the school calendar carefully so that you can plan your family vacations and appointments during school breaks.

Taking your child out of school for family trips is strongly discouraged, as it is academically and socially disruptive to your child's learning. If your family needs to travel for an emergency, please contact the Main Office at 631-867-3300 and let your child's teacher know. Attendance is carefully documented in the Main Office and any extended period of absence from school can result in a parent/teacher conference. If your child is sick, you can ask that a classmate bring home the homework but often without the lesson, the homework is confusing. We recommend using the time to practice basic math facts and read.

Attendance during one school year	Equates to days absent	Which is approximately	Which means the number of lessons missed
94%	10 days	2 weeks	60 lessons
90%	19 days	4 weeks	120 lessons
85%	29 days	6 weeks	180 lessons
80%	38 days	8 weeks	240 lessons
75%	48 days	10 weeks	300 lessons
70%	57 days	11.5 weeks	345 lessons
65%	67 days	13.5 weeks	405 lessons

- Most K-12 academic school years run from September – June
 - 10 months of school in a defined academic calendar year
 - If a student misses just 2 days of school each month they will have missed a total of 20 days for the school year; by most definitions the student would be categorized as chronically absent.

Did you know? Being 15 minutes late each day is the same as missing two weeks of school.

Every School Day Counts.
Every Minute is Equally Important.

District Report Cards and Grading Policy

Report cards are issued on a set schedule and Parent-Teacher Conferences are part of that schedule. Please feel free to contact the teacher by writing a note or phoning for a conference if there is a problem.

If after speaking to the teacher the problem is not solved, feel free to call the principal.

Contingency Procedures

Announcements of school closings or delayed openings will also be posted on the district's website, www.lindenhurstschools.org. The district also utilizes a school-to-parent communication service. Through this system, parents will receive recorded announcements via a phone call on the telephone numbers they provide the district.

The school district reserves the right to delay the opening of, or to close schools at any time, due to inclement weather, failure in the power and/or heating systems of the schools, or for any other emergency. In the event that this procedure becomes necessary, parents should make alternate arrangements.

Under any circumstance, the decision as to whether or not your child should be sent to school, even when transportation is available, must be made by the parents.

In the event of a delayed opening, early closing or school closure due to inclement weather, or any other emergency, parents are asked to avoid calling the schools.

One-Hour Delayed Opening—approximate start of a.m. bus pickup: 9:40 am
One-Hour Delayed Opening—adjusted school hours: 10:05 am–3:30 pm
Two-Hour Delayed Opening—approximate start of a.m. bus pickup: 10:40 am
Two-Hour Delayed Opening—adjusted school hours: 11:05 am–3:30 pm

Parents/Guardians will be notified of a potential early closing due to inclement weather via Parent Square.

Breakfast/Lunch Program

All schools that participate in the Federal School Lunch Program must adhere to the new federal nutrition standards for school meals. These standards were interpreted from the Healthy Hunger-Free Kids Act (HHFKA) and adopted into law. Many of these new standards took effect in the 2012–13 school year, while others were slated to go into effect in future years. The purpose of the HHFKA is to ensure that meals are healthy and well-balanced and provide students with all the nutrition they need to succeed at school and encourage good nutrition.

Please be advised that for the 2021–2022 school year, breakfast and lunch will be **free** for all students. All students will be able to obtain breakfast and lunch at no charge on days when they are in school. The district is requesting that families continue to complete the Free and Reduced-Price Lunch applications as this will inform our funding through the 2022–2023 school year.

For information regarding our school meal programs and for Free and Reduced Price Lunch applications, visit the district website's "School Lunch Program" section at: www.lindenhurstschools.org/news_and_information/lunch_program

Social-Emotional Support

Sanford Harmony

Sanford Harmony is a social and emotional learning program used in all classrooms that helps teachers cultivate strong relationships between all students by targeting the development of social skills. By focusing on peer relationship processes, we can contribute to students' academic success. The program consists of structured activities, lessons, games, and stories designed to promote learning environments that are inclusive and collaborative to support the development of healthy peer relationships.

Using age-appropriate materials, teachers facilitate lessons and activities that enhance students' communication and relationship-building skills. The five themes of Harmony are Diversity and Inclusion, Empathy and Critical Thinking, Communication, Problem-Solving, and Peer Relationships. Each of the Harmony themes addresses an important need in our school to create positive and proactive environments that support the student success of diverse students.

Meet our Mental Health Team

Our mental health team consists of our two school psychologists, Ms. Petrella and Ms. Ringle, and our social worker Ms. Cundari. Together they support students and their families with mental health resources, in-school counseling, behavior management strategies and plans, social-emotional development and learning, and special education evaluations and services.
