

CONNECT WITH LINDY

Communication with students, parents/guardians and our community is important to the Lindenhurst Union Free School District. The chart below shows how to stay informed of news, events, announcements and emergency situations through official district communications channels. If you have questions or concerns about a particular situation, please reference the Chain of Communication document on our website.

If you are a community resident with no children in our schools who still wishes to receive important email communication, please sign up for notifications through ParentSquare: <https://www.parentsquare.com/signin>

Where to look	Type of information	How to get it
 ParentSquare	ParentSquare is a communication and organization tool designed to keep parents/guardians informed and involved in their children's learning and school activities.	Visit: www.parentsquare.com or download the app via the Apple or Google Play stores.
 Alert phone calls/text messages	The district shares alerts using ParentSquare. The system sends prerecorded phone calls and text messages in the case of emergencies, closings and nonemergency information.	Parents/guardians are automatically signed up using the contact info on file with the school. Please keep contact information updated.
 Alert email messages	Occasionally, an email may accompany a phone call/text message alert. The district may also send general information via email messages.	Parents/guardians are automatically signed up using the contact info on file with the school. Please keep contact information updated.
 District Website	Our website is used to provide important information and news for our school community. For communications such as an emergency, closing or important announcement, we may activate a web alert either as a pop-up alert or red scroll across the top of the homepage.	Visit us online at: www.lindenhurstschools.org
 eSD Parent Portal	Parent Portal is geared toward our secondary school families. This web-based communications tool allows our high school and middle school parents/guardians to access their child's academic information such as attendance records, transcripts, progress reports and report cards.
