Whether you
think you can or
think you can't –
you are right.

– Henry Ford

- Each year, establish a list of personal and academic goals.*
 - Establish a plan to achieve those goals.*
- Evaluate your progress and make any necessary adjustments.*
 - If you falter at any point, get yourself back on track.*
- Ask for help, we have a myriad of resources at your disposal.*
- Get involved to have your resume stand out to your college of choice!*
 - The ultimate goal: getting into your “target” school!*
“It’s not if; It’s how!” - It is all about your mindset.
