b. RECOMMENDATION – BOARD POLICY # 1741 – HOME-SCHOOLED STUDENTS

Second Reading – Vote to be taken

A new board policy or revision of current board policy requires two readings.

Recommended Action: Upon a motion made by _________________, seconded by __________________, the following proposed policy is offered for a second reading.

HOME-SCHOOLED STUDENTS

The Board of Education shall ensure that children instructed at home are taught by a competent instructor and receive an education substantially equivalent to that offered in the district’s schools in accordance with the guidelines and procedures set forth below.

Parents/Guardians who wish to educate their children at home must submit to the district an individual home instruction plan (IHIP), outlining the educational goals to be met and the course materials and syllabi to be used each year for the child's learning process. The district may accept or deny an IHIP. Parents/Guardians must submit quarterly reports which will provide the district with the necessary information to make determinations of substantial equivalency and competency of instruction on an ongoing basis.

Parents/Guardians may appeal to the Board a determination by the Superintendent of Schools or designee that an IHIP is not in compliance with the Regulations of the Commissioner of Education. Parents/Guardians shall have the right to appeal the final determination of the Board to the Commissioner of Education within 30 days of receipt of such determination.

Special Education

A student with an IHIP, who is a resident of the school district and has a disability, or is suspected of having a disability, is eligible to receive services from the school district, in accordance with law, regulation and district policy (4321 et. seq.). A parent/guardian must request special education services in writing to the Board by June 1st, unless the child is first identified or moves into the district after June 1st. In that case, the parent/guardian must request the services within 30 days of being identified or of moving into the district.

Special education services will be provided on an equitable basis compared to programs and services provided to other students with disabilities attending public or nonpublic schools within the district. The Board will determine the location where services will be available to home schooled students.

Students instructed at home by their parents are not entitled to participate in interscholastic sports. However, the Board shall permit such students to participate in intramural sports and other school-sponsored extracurricular activities. Specifically, the Board will permit home-schooled students to:

- participate in non-credit-bearing organized school activities such as clubs and sports (other than interscholastic sports);
- participate in band and/or receive music lessons only if these activities are considered to be extracurricular (not credit-bearing or graded or required for class);
• use school facilities such as the library, career information center and gymnasium if there is mutual agreement on the part of all involved parties.

Instructional Materials

The Board authorizes the Superintendent to loan instructional materials, if available, to students receiving home instruction. The Superintendent or his/her designee shall determine the availability of resources and develop appropriate procedures.

d. RECOMMENDATION – BOARD POLICY # 2270 SCHOOL ATTORNEY

Second Reading – Vote to be taken

A new board policy or revision of current board policy requires two readings.

Recommended Action: Upon a motion made by ____________________, seconded by ____________________, the following proposed policy is offered for a second reading.

SCHOOL ATTORNEY

The Board of Education shall retain legal counsel, who shall be appointed at the Annual Organizational Meeting of the Board of Education. The President of the Board, or the Superintendent of Schools or his/her designee, may contact the counsel on legal matters affecting the operation of the school district.

The Attorney must be admitted to the bar of New York State. The Attorney will be the legal advisor to the Board. In that capacity, the Attorney’s duties will be:

1. to advise the Board with respect to all legal matters relating to the district, including, but not limited to, interpretation of the Education Law of the State of New York, and all other statutes, rules or regulations affecting the district;
2. to be easily accessible to the Board and the Superintendent of Schools (and, at the discretion of the Superintendent, to his/her administrative staff), with respect to legal matters issuing out of the day-to-day administration of the district;
3. to review and to represent the district in the preparation of contracts, as requested by the district (other than the contract for school attorney services);
4. to advise and assist in matters of litigation pursuant to the retainer agreement;
5. to review at the Board’s request the legality of policies or regulations to be adopted by the Board;
6. to review and advise with respect to any process served upon the district; and
7. to recommend the retainment of such special counsel as he or she may deem necessary in the circumstances, subject to the approval of the Board.

Selection of a School Attorney

The district, when seeking to retain a School Attorney, will first locate prospective qualified lawyers/law firms by:

1. advertising in trade journals;
2. checking listings of lawyers/law firms; or
3. making inquiries of other districts or other appropriate sources.

The district will then prepare a well-planned, written request for a proposal which will contain critical details of the services sought and submit this request to prospective applicants.
In selecting a School Attorney, the district will consider the cost of a retainer (or hourly fee), as well as such other factors as:

1. the special knowledge or expertise of the lawyer/law firm;
2. the quality of the service provided by the lawyer/law firm;
3. the staffing of the lawyer/law firm; and
4. the lawyer’s/law firm’s suitability for the district’s needs.

The district will maintain documentation of the written proposals submitted by lawyer/law firm applicants for the position of School Attorney.
